SUMMARY

Growth Web Designer with 12 years of experience connecting design, marketing, UX/UI, and operations to create pages, websites, landing pages, and web experiences tied to acquisition, demand generation, lead capture, and conversion. I work across strategy and execution: organizing messaging, structuring copy and interfaces, publishing pages, and collaborating with growth, marketing, product, technology, and sales teams.

KEY SKILLS

Growth Web Design Websites, landing pages, product pages, campaign pages, CMS, responsive design, and web publishing.	CRO and acquisition Offer clarity, CTAs, forms, social proof, page friction, funnel thinking, and metrics interpretation.	Web copywriting Headlines, value proposition, sales arguments, objections, microcopy, and message architecture.
Applied AI Claude, Claude Code, ChatGPT, Lovable, Stitch, Antigravity, and Kling AI to accelerate prototypes, variations, and execution.	Design and prototyping Figma, Webflow, Relume, design systems, wireframes, UI, components, and front-end for web creation.	Operations and data HubSpot, GA4, Amplitude, RD Station, Sheets, briefing, prioritization, documentation, and cross-functional alignment.

PROFESSIONAL EXPERIENCE

LET'S | Webflow Designer

Dec 2025 - Apr 2026 | Remote

- Worked on the web evolution of a B2B logistics SaaS, managing the institutional website, product pages, sales pages, landing pages, and adjustments to support marketing, sales, and demand generation.
- Used Figma, Webflow, CMS, forms, and HubSpot to create clearer, more scalable, and easier-to-maintain pages.

G4 Educacao | Mid-Level Web Designer

Apr 2024 - Feb 2025 | On-site

- Worked on the Web Experience team within Martech/Growth, creating and evolving product pages, landing pages, event pages, in-person program pages, rich-material pages, and lead-capture flows.
- Contributed to pages such as G4 Gestao e Estrategia, G4 Growth, and G4 Sprints, as well as cold-audience campaigns that helped increase MQL rate by 15%.
- Turned briefs into publishable pages, organizing content, hierarchy, CTAs, forms, responsiveness, CMS structure, and visual consistency.

K.Pitaliza Tecnologia | Marketing Coordinator

Jun 2025 - Oct 2025 | Remote

- Coordinated marketing and growth operations for a national campaign with Claudia Leite as brand ambassador, connecting content, copy, design, affiliates, influencers, livestreams, paid media, OOH, and TV.
- Led 8 professionals across copywriting, design, and video editing, structuring the editorial calendar, activations, giveaways, and engagement initiatives.
- Supported Instagram growth from zero to 50,000 followers in under one month and an operation with more than 300 active affiliates.

Valid | UX Designer / Marketing & Growth Analyst

Dec 2021 - Nov 2023 | Hybrid

- Worked on UX, interfaces, digital identity, and digital products, while also contributing to campaigns, lead generation, communication, social media, and digital materials for acquisition channels.
